Who Can Order A Record?

Vital records (records of births, deaths, and fetal deaths) are public records in Ohio. This means that anyone who can submit the basic facts of a record may request a copy.

Placing an Order:

Please complete one application form for each record or search requested. Please submit your applications with all available identifying information. If you do not have sufficient information to allow us to identify the certificate, you may request a search be performed rather than requesting a certified copy of the record.

Birth Certificates:

Please complete the "Record Information" portion of the application with the information as you believe it to be listed on the original birth record. If there have been any changes to the name of the person on the record, also provide the new name. Please identify the parents on the record as "mother", "father", or "parent", and provide their names prior to their first marriage (also known as maiden name). Birth records will be issued as certified abstracts unless you indicate that you are requesting the certified copy for the specific purposes of obtaining dual citizenship, international marriage or legal proceedings, or genealogy.

Death Certificates and Social Security Numbers:

As of October 15, 2015, for the *first five years after the date of death* the social security number of the deceased will not be included on the death certificate unless the requestor is:

- The deceased's spouse, or lineal descendant
- The deceased's executor, attorney, or legal agent
- A representative of an investigative government agency
- A private investigator
- A funeral director (or agent responsible for disposition of the body) acting on behalf of the deceased's family
- A veteran's service officer
- An accredited member of the media

Individuals requesting a death certificate with the social security number included must indicate on their application that they are requesting the SSN be included and may be asked to submit satisfactory identification to the registrar or clerk.

Fees:

In accordance with section 3705.24 of the Ohio Revised Code we are required by law to charge a fee for each certified copy of a vital record issued. The fee at this office for each certified copy of a birth, death, or fetal death record is **\$25.00** per certified copy.
