

ServSafe Food Protection: Manager Certification Training

The state of Ohio **mandates that at least one person in a Risk Level 3 and 4 facilities** have the Manager certification. This training will provide you with 8 hours of classroom instruction on food safety. Once you receive a passing score on the exam, we will submit your results to the Ohio Department of Health, and they will issue you an Ohio Certification stating you have successfully completed the training.

If you currently have the Manager Certification Training completed, please make sure your proctor submits your score to the Ohio Department of Health and that you received your Ohio Certification. For more information on this visit, <https://odh.ohio.gov/wps/portal/gov/odh/know-our-programs/food-safety-program/food-safety-certification/mgr-cert-guidelines>

The new Ohio law requires this certificate to meet the manager certification requirement
